

DIGITALGLOBE, INC.
COMMERCIAL END USER LICENSE AGREEMENT

DigitalGlobe, Inc. ("DigitalGlobe") grants End User a limited, non-transferable, non-exclusive license ("License") to use the DigitalGlobe REGISTERED TRADEMARK products and authorized third party products (the "Product") and a limited right to develop Derived Works as defined below. In the event that this License is inconsistent with any license included with the Product in electronic form or in any "shrink-wrap" form delivered with the Product, this License shall govern. If End User has entered into a separate agreement with DigitalGlobe permitting use of the Products, that agreement, rather than this License, will govern End User's use of the Products.

1. **AUTHORIZED END USERS.** This License applies to multiple users within multiple organizations at multiple locations located within a single country, such organizations identified at the time of ordering.

2. **LICENSE ACCEPTANCE.** The End User may accept and agree to the terms of this License by doing any one of the following:

(a) breaking the seal on any package containing the Product;

(b) accepting, in whole or in part, a quotation describing the Product by any means (including the use of End User's purchase order, whether or not that purchase order contains inconsistent terms and conditions);

(c) installing or manipulating the Product on any computer hardware;

(d) damaging or destroying the Product; or

(e) retaining the Product for more than 15 days following receipt.

3. **LICENSE GRANTED AND PERMITTED USES.** By accepting the terms of this License, the End User may use the Product at its facilities within its country of residence and:

i. Make an unlimited number of copies for the internal use of the End User;

ii. Modify the Product or use the Product through manipulation techniques and/or the addition of other data and make copies of the resulting product for End User's internal use only ("Derived Works").

Derived Works that End User or its contractors may create that allow access to the Product's pixels and/or metadata are subject to this License and End User acknowledges, and will require its employees, contractors and agents to acknowledge that DigitalGlobe and/or its licensors will own all rights in any copy, translation, modification or adaptation of such a Derived Work;

iii. Provide the Product to contractors for the development of a Derived Work for the internal use of the End User only;

iv. Release hardcopy prints on a limited non-commercial basis, provided that the proper copyright is conspicuously marked;

v. Publish on a non-commercial basis in research reports or similar publications with the express, written consent of DigitalGlobe, provided that the copyright as set forth in paragraph 4.iii. is conspicuously marked;

vi. Post the Product and Derived Works to Internet web sites provided that:

(a) the Product or Derived Works are in a secure format that allows only printing and viewing at no better than ten-meter resolution and prohibits manipulating the Product's pixels or metadata;

(b) the Derived Works are for non-commercial use; and

(c) the proper copyright as set forth in paragraph 4.iii. is conspicuously marked;

vii. Share the Product with multiple users engaged in a Joint Project who agree to be bound by the terms of this License ("Affiliated Entities"). "Joint Project" means cooperation between a licensed End User and any corporation or government agency. The Product and any Derived Works produced from the Product may be used for the purposes of the Joint Project only, and may not be retained by the Affiliated Entities after completion of the Joint Project.

4. PROHIBITED USES. End User may NOT do any of the following:

i. Copy or reproduce (even if merged with other materials), create derived works, display or disclose, other than as consistent with the Permitted Uses;

ii. Sell, license, rent, sublicense, transfer, disclose, reverse engineer, disassemble, decompile or adapt the Product or use it in any manner not expressly authorized by this License;

iii. Alter or remove any copyright notice or proprietary legend contained in or on the Product. End User agrees that any embodiment of the Product permitted under this License will contain the following notice: "Includes material (C)COPYRIGHT [year] DigitalGlobe, Inc. ALL RIGHTS RESERVED."

5. OWNERSHIP. The Product is licensed, not sold, and End User agrees that the Product and all intellectual property and proprietary rights therein are owned by DigitalGlobe and/or its licensors. DigitalGlobe and/or its licensors reserve all right, title and interest in and to the Product not expressly granted to End User herein. There are no implied licenses under this License, and all rights not expressly granted are reserved by DigitalGlobe and/or its licensors.

6. LIMITATIONS AND DISCLAIMER OF WARRANTY. DigitalGlobe provides a limited warranty for thirty (30) days from the date of delivery that the Product delivered will meet the applicable DigitalGlobe product specification ("Limited Warranty"). DigitalGlobe's sole liability shall be to replace the Product if the End User returns the Product to DigitalGlobe within 30 days of delivery. WITH THE EXCEPTION OF THE PRECEDING LIMITED WARRANTY, THE PRODUCT IS PROVIDED WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AND ALL WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE ARE DISCLAIMED. DIGITALGLOBE DOES NOT WARRANT THAT THE PRODUCT WILL MEET THE END USER'S NEEDS OR EXPECTATIONS, OR THAT OPERATIONS OF THE PRODUCT WILL BE ERROR FREE OR UNINTERRUPTED. NO INFORMATION PROVIDED BY DIGITALGLOBE OR ITS AGENTS, EMPLOYEES, OR ITS RESELLERS OR DISTRIBUTORS SHALL CREATE A WARRANTY, OR IN ANY WAY INCREASE THE SCOPE OF THIS LIMITED WARRANTY, AND THE END USER IS NOT ENTITLED TO RELY ON ANY SUCH INFORMATION.

7. NO CONSEQUENTIAL DAMAGES. IN NO EVENT SHALL DIGITALGLOBE OR ITS LICENSORS BE LIABLE FOR ANY CLAIM OR LOSS INCURRED BY THE END USER, INCLUDING WITHOUT LIMITATION, COMPENSATORY, INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR OTHER NONCOMPENSATORY DAMAGES. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OF LIABILITY FOR PERSONAL INJURY, OR OF INCIDENTAL OR

CONSEQUENTIAL DAMAGES, SO THIS LIMITATION MAY NOT APPLY TO END USER. In no event shall DigitalGlobe's cumulative liability for any loss or damage to End User (other than as may be required by applicable law in cases involving personal injury) exceed the value of this License. The foregoing limitations will apply even if the above-stated remedy fails of its essential purpose.

8. EXPORT CONTROL. In connection with performance of its obligations hereunder, End User agrees to comply with and assume all expenses for all applicable export control, import licenses, foreign exchange permits, trade sanctions and similar laws, regulations and restrictions, including (but not limited to) those maintained by the U.S. Department of Commerce, the U.S. State Department, and the U.S. Department of the Treasury, and/or any foreign governmental agency as may be in effect from time to time during the term of this License. End User acknowledges that its failure to comply with the provisions of this paragraph constitute a material breach of this License.

9. LICENSEE OUTSIDE U.S. If End User is located outside the U.S., then the provisions of this section shall apply. If any applicable law requires End User to withhold amounts from any payments to DigitalGlobe hereunder, End User shall effect such withholding, remit such amounts to the appropriate taxing authorities and promptly furnish DigitalGlobe with tax receipts or other evidence evidencing the payments of such amounts, and the sum payable by End User upon which the deduction or withholding is based shall be increased to the extent necessary to ensure that, after such deduction or withholding, DigitalGlobe receives and retains, free from liability for such deduction withholding a net amount equal to the amount DigitalGlobe would have received and retained absent such required deduction or withholding. End User is responsible for complying with any local laws in its jurisdiction which might impact its right to import, export or use the Product(s), and End User represents that it has complied with any regulations or registration procedures required by applicable law to make this License enforceable.

10. MISCELLANEOUS.

i. In consideration for the rights granted under this License, End User agrees to be bound to the terms herein and agrees that this License shall govern the rights and obligations of the Parties with regard to the Products. No waiver or modification of this License will be valid unless signed by DigitalGlobe and End User. If any provision is determined to be invalid or unenforceable, the remaining provisions of this License

shall continue to be valid and enforceable. Neither this License nor any of the rights granted by it may be assigned or transferred by the End User without the prior written consent of DigitalGlobe. This restriction on assignments or transfers shall apply to assignments or transfers by operation of law, as well as by contract, merger or consolidation. Any attempted assignment or transfer in violation of the foregoing will be void.

ii. Except to the extent applicable law, if any provides otherwise, this License shall be governed by the laws of the State of Colorado, U.S.A. excluding its conflict of laws provisions. Any dispute hereunder shall be settled through binding arbitration in Denver, Colorado U.S.A. in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA"). The United Nations Convention on Contracts for the International Sale of Goods is specifically disclaimed.
